ED BUCZESKIE, EVENT MANAGER

Welcome to the 26th edition of the Carlisle Import & Kit Nationals. Last year was a year of change and that's something people often fear. We did our best to assure everyone that all of the changes would be positive ones with no negative side effects. Based on your feedback, we delivered.

Everyone appreciated Gate-N-Go as it eliminated any waiting at Gate 3 for those who preregistered by the deadline. The flags representing the various countries certainly added to the atmosphere and the live bands made the show come alive. The bands were such a hit that

we've expanded the live music to cover all three days this year.

There are more changes in store. Be sure to participate in the new Passport Program to be eligible to win prizes from local merchants, restaurants and more. Don't spend the entire weekend sitting next to your car or with one particular manufacturer or even country of origin. Get out and see the show! As we say, "Around the World in 80 Acres."

If you're going to travel the world, you have to experience the food! This year we are proud to have several new food vendors at the show and with them comes a whole new menu including foods from other countries. As a world traveler you owe it to yourself to sample the local flavor.

The automotive hobby is best when it's shared with family and we sure hope you're sharing your passion with your children and grandchildren. To make that a little easier we added the Kids at Carlisle activities last year and it was very well attended. As much as we love cars we also understand that kids need to experience our hobby in smaller doses. Again this year you can bring the kids and let them unwind from time to time in the kids' area at Building R.

And finally, for 2011 we are featuring vehicles from France. Each year we highlight a different country and/or marque. We had communicated with a couple of French car clubs in early 2010 and decided rather than rush to do something minor for that year we could wait until 2011 and make them the featured country. That simple idea quickly exploded into one of the most exciting features in years.

We originally expected to gain a few more cars but now we are hoping that by the end of the weekend we will have hosted the largest gathering of French vehicles ever in the United States. Cars have come from all across the U.S. to be a part of this year's feature.

In addition to being featured, the clubs are going to park the French vehicles by year of manufacture on Saturday afternoon. See a literal timeline on the showfield and see decades of automotive progress. Be sure to check out all of the French vehicles and atmosphere (see map for location).

So, what's in store for next year? We're glad you asked. The featured country will be Italy. With Fiat returning to the United States the timing couldn't be better. Let's see if we can get more Ferraris, Lancias, Fiats, DeTomasos and Lamborghinis than ever before at Carlisle. It's also time for the return of Cobras at Carlisle! We'll see you next year on May 18-20.

SCHEDULE & HIGHLIGHTS

IF SOMEONE IS LOST.....

If you become separated from your party and are unable to contact them, go to the Grandstand/Stage area (near the Guest Services trailer) and wait for them. We do not page individuals.

WHEN YOU NEED HELP

Our security staff is here to assist you. They collect lost/found items and provide first aid services. The office is accessible by the ramp at the back (north) of the the River 97.3 Stage.

HAULING MERCHANDISE

To haul merchandise, stop by Guest Services to rent a cart or ask about having someone haul it for you to your vehicle or any gate.

PHONE NUMBERS.....

WI-FI.....

Public Wireless Internet Access is available as a convenience to our guests. This is unsecured wireless access to the Internet. You are responsible for maintaining the security of your information and your equipment when accessing the Internet. Carlisle Events assumes no responsibility and shall not be liable for any damages to your computer equipment or other property as a result of your use of this hot spot. Vendors in Buildings T, Y or Z wishing to have Internet access should make arrangements prior to the event for "DSL" with the same provider of phone service to their sites.

PETS

Pets are strongly discouraged for health and safety reasons. If you cannot make other arrangements for boarding, your pet must be on a leash and policing after it is required. Your pet must be under your control at all times, and you are fully responsible for its actions. Any offensive or unsafe action by your pet may result in expulsion without refund.

TRANSPORTATION.....

For safety reasons, the use of all personal means of transportation (bikes, scooters, golf carts, ATVs, motorcycles or minibikes, etc.) is forbidden on the Fairgrounds from 7 a.m.-5 p.m. on all show days. No unlicensed drivers may operate these vehicles at any time. Verification of insurance is required.

WARNING TO ALL ATTENDEES

Dangerous conditions can exist on the Fairgrounds. Due to exposure to the weather, areas may become slippery or soft. Due to the nature of the goods displayed, heavy and sometimes dangerous equipment and moving vehicles are frequently present. Carlisle Productions cannot be responsible for the conduct of vendors and patrons entering these premises. Those who enter the Fairgrounds do so at their own risk.

SPECIAL GUEST: BRUCE MEYERS.....

Please join us in welcoming our returning special guest Bruce Meyers, father of the modern day Dune Buggy. Meyers has a long history with Dune Buggies, dating back to the original water pumpers of Southern California. He took it upon himself to redesign the crude, heavy vehicles into the lightweight version that we are accustomed to today. After being featured on the cover of national automotive magazines like *Hot Rod* and *Car and Driver*, The Meyers Manx's popularity took off across the country. Over the years, Meyers produced over 7,000 kits stemming from the Manx. In 2009, Bruce brought the first Meyers Manx Kick Out to this show for its east coast debut, and along with John Denmat, conducted the final assembly of the very first Manx Kick Out SS! **BUILDING T FRIDAY AND SATURDAY, 9 A.M. TO 3 P.M.**

WIN A CAR!

This year's giveaway car is a 1976 Toyota Corolla Lift Back and you can see it on the the River 97.3 Stage. Read about the car and how you can win it on **PAGE 6.**

SWAP MEET & CAR CORRAL

Find a vehicle in the car corral and shop the swap meet. You'll find new product manufacturers, accessories, parts and memorabilia. Vendors are listed by specialty and alphabetically in this directory. Title transfer services are offered at the Notary Office in the Pavilion. Financial services are available through Orrstown Bank, inside of Building T.

AUTOCROSS

The Susquehanna Region of the Sports Car Club of America (SCCA) and its Chapter Club, the Appalachian Sports Car Club, will

conduct practice sessions on Friday. The autocross is scheduled for Sat. & Sun. Each participant will get three runs of three laps against the clock. Scoring will be done on an overall basis using an index designed to adjust for the performance capabilities of the different cars. The experience is designed to allow you to test your performance on the course. But it will also be useful if you simply want to learn more about your car's potential and your ability to manage it. Instructors will be available to ride along and help you explore new levels of performance for both you and your vehicle.

Registration is required at the SCCA tent next to the track. The charge for each entry is \$25. When you register, you will choose a specific session. There are eight drivers per session. Check in at least 30 minutes prior to your start time for sign-in and safety inspection. Participants must be at least 18 years old and have a current driver's license. Helmets are required; loaner helmets are available. Registration closes when the sessions are filled.

DYNO TESTING.....

Accelerated Motorsports, the official dyno of Carlisle Events, provides mobile Dyno tuning for cars and trucks using their Dynojet 248 chassis dynamometer. Their wide band O₂ monitoring will determine if all that precious fuel is making power or just

being wasted out the tailpipes. Testing will cover front and rear-wheel drive cars and trucks, including diesels. Fee applies. (SEE MAP). **SATURDAY ONLY** Club rates may apply for off-peak hours (minimum number of vehicles may be required). For more information, contact the Carlisle Dyno Guy at 215.297.8139 or dale@acceleratedmotorsports.com

SCENIC CRUISE.....

We'll provide the directions for you to take a self-guided tour of south central Pennsylvania on Saturday afternoon. The tour will take you off the beaten path and allow you to get a real taste of the Cumberland Valley. You do not need to be registered for the showfield; all show guests are welcome to participate. Directions will be available at **GUEST SERVICES**.

KIDS ACTIVITIES

On **SATURDAY FROM 10 A.M. TO 5 P.M. IN BUILDING R** we have crafts for kids and parents to enjoy together. We also have lots of play activities for the young ones.

KIDS CHOICE AWARD: Kids can vote for their favorite car in Building Y. They can have their say on which car they think is coolest! Ballots available at the Kids building, Guest Services, The Carlisle Store or Building Y. The ballot box is inside Building Y. Winner will be announced Sunday during the Awards Parade.

*Attention Parents: Please be advised that Kids at Carlisle is not a child care service. Adult supervision is required.

LIVE BANDS.....

Enjoy a variety of bands playing on the the River 97.3 Stage facing the showfield. On Friday hear Jazz Me Rhythm & Blues Band (featuring Katie Robinette) and Riv-

er City Sound Society, on Saturday it's Fretworks, Pretzel City DixieLand Band and Fast Lane with Dawn Rix, then on Sunday see Katie & the Gray Beards, Leah Burkey (Country Singer) and Jazz Me Rhythm & Blues Band.

FRENCH FEATURE

In addition to the Citroen, Renault and Peugeot cars, look for other French elements that will enhance the event.

PASSPORT.....

Take a tour of the world by participating in the new Passport Program. It's simple and fun and after you complete your tour you will have a chance to win prizes as well as a limited edition collector pin. Participants who collect all seven stamps and complete the registration form will have a chance to win the grand prize, a free weekend at the 2012 Import & Kit Nationals. See pages 12-13.

INVITATIONAL DISPLAY.....

BUILDING Y features a spectacular display showcasing many fine vehicles. **SEE PAGES 10-11.**

RACE CAR PADDOCK

The Race Car Paddock, sponsored by Vintage Motorsport, is a high-light area of the showfield, located just inside of Gate 3. It is reserved exclusively for

imports and kits that are set up for racing. All race cars are eligible – from road racers and autocross to drag and rally cars. Show off your race car and hang out with fellow drivers and race enthusiasts in this featured area. If you get the urge to get some track time in, you can always make a few laps on our on-site autocross.

VINTAGE MOTORCYCLES

Vintage motorcycles are a great complement to the fine import cars here this weekend. Motorcycles 1979 and older have been invited to participate on the outdoor showfield. **SEE MAP**

CLUBS

Clubs are a very important part of the event. Each year clubs compete to see which has the most vehicles in attendance and awards are presented to the top three. There is also an award presented to the club who has the coolest hangout and new for this year, 81Fun is giving the club two free games of bowling or free skating time at Midway. See who won last year on **PAGE 8-9.**

CARLISLE ELITE

We will be roaming the showfield on Friday in search of our ten favorite vehicles to become the newest members of the Carlisle Elite. To be picked for the Carlisle Elite, your car doesn't have to be rare or a high-dollar, professional restoration. In fact, the only real criteria is that it catches our collective eye. Make sure your car is registered and parked on the showfield on Friday to be eligible.

STANDARD OF EXCELLENCE JUDGED COMPETITION

For those of you who have taken your car to the next level and want validation for that effort, make sure to enter the Standard of Excellence Judging. Owners compete against a set of criteria on the judging sheets rather than against other vehicles. Our qualified judging team consists of knowledgeable automotive enthusiasts and industry professionals. **SEE MAP**

INS AND OUTS OF WEBER CARBS

Carl Heideman of Eclectic Motorworks, LLC, based out of Holland, Michigan, will discuss Weber carbs. They have been the staple for performance and OEM applications in import and kit cars for years. Simple on the surface, there are a myriad of carbs and combinations of parts that can confuse an owner and mechanic alike. Carl will take the confusion out of sidedraft and downdraft Webers, giving tuning and drivability tips.

HOW TO DESIGN A KIT CAR.....

Jim Simpson of Simpson Designs has developed several custom-bodied sports cars based on the sporty and reliable Mazda Miata. Jim will discuss how his company goes about designing a kit and what is involved in the process from styling elements to materials and marketing. This is a must attend seminar for anyone with even a casual interest in kit cars and what better source than the designer and builder?

LUCAS ELECTRICS

John Twist, the MG Guru of University Motors in Ada, Michigan will discuss the basics of British electrical systems. From the battery to the generator, from the fuse box to the wiper motor and lights, you will learn how to diagnose and repair common problems, followed by a Q&A.

DUNE BUGGIES

On Friday Bruce Meyers will present a video on the history of the dune buggy. Following the video, Bruce will give a brief talk then open the floor to Q&A from the audience. On Saturday Bruce will discuss the various aspects of the dune buggy from its history to its many successes in motorsports. Following the seminar, Bruce will do a Q&A with the audience. Bruce Meyers is the creator of the fiberglass dune buggy. His San Diego-based shop, Meyers Manx, Inc. is still building buggies today.

COMMON SENSE WELDING

Carl Heideman's Eclectic Motorworks, LLC shop specializes in panel fabrication and welding for classic sports cars. In this seminar, Carl presents easy ways to improve welding skills for the beginner and expert alike. In addition to the work at his shop, Carl has written articles in Classic Motorsports, Grassroots Motorsports, Classic MG, British Motoring, and VW Trends Magazines. This is a must-attend for anyone interested in welding!

TUNING FOR SPEED

John Twist (University Motors LTD) and Carl Heideman (Eclectic Motorworks LLC) will explain how to get the most performance out of your car. They will carefully explain how to find and unleash hidden power and performance. Ignition, carburetion, emissions, and drive train issues will be discussed. Other topics will include advanced concepts like fuel injection, supercharging and engine swaps.

SECRETS OF THE SU CARBS

SU carburetors can be found on many cars from Volvos to Datsuns and most British cars. John Twist of University Motors will share his many years of knowledge on the SU carbs. Many folks replace them with Webers and other aftermarket carbs but John will show how to make your SUs function properly allowing you to avoid costly replacements and keep your engine original in appearance.

SEMINARS & GIVEAWAY

HOW TO PREPARE YOUR VINTAGE CAR FOR A LONG JOURNEY.....

Jonathan Burnette drove his 1959 Renault Dauphine from Austin, TX to Alaska and back for a total of more than 10,000 miles. Find out what you need to do in order to prepare your classic vehicle for a lengthy road trip and hear Jonathan's tales from his excursion. Cars were built to be driven and this seminar will give you the knowledge and motivation to make your own memories. The Seminar will be emceed by Marvin McFalls.

WIN THIS 1976 TOYOTA COROLLA.....

On Sunday we will draw the winner for this 1976 Toyota Corolla Lift Back. It's in like-new condition inside and out with all of its factory-original equipment including the original AM radio. Also inside you'll find the original "wall-to-wall carpeting," bucket front seats, fold-down rear seats and console with floor shifter. The 1.6 liter engine and automatic transmission are rated at 24 mpg city and 31 highway as seen on the original window sticker, which shows the original price of \$4,142. Other literature and receipts are also still present.

TO ENTER - VENDORS: Vendors do nothing - you are automatically entered. The owner of record of every vending space is automatically entered to win. This includes vendors who purchased recycled vending spaces as well as car corral vending spaces.

TO ENTER - SHOWFIELD PARTICIPANTS: Showfield participants do nothing - you are automatically entered.

TO ENTER - GUESTS: Enter the drawing at the kiosk near Guest Services. (In front of the grandstand) One entry per person.

TO WIN: Winner will be announced after the Awards Presentation on Sunday afternoon. You do not need to be present to win. Winner will be notified according to the contact information we have on file (for vendors and showfield) or that was provided at the kiosk.

OFFICIAL RULES AND REGULATIONS: See eligibility requirements posted at the giveaway entry kiosk or on our website: CarlisleEvents.com

FRENCH CARS IN CINEMA.....

The Citroën Club of North America will hold a seminar titled "French Cars in Cinema," developed and conducted

by Ronald C. Kienhuis of Great Neck, New York. It will consist of a half hour presentation of short film clips showing French cars in action. The seminar will take the form of a contest, with forms to be filled out by participants whose challenge it will be to recognize and fill in the names of the movies. A small prize will be awarded to the person with the most correct answers. It is guaranteed to be both fun and entertaining for all!

DETAILING BY MEGUIAR'S.....

If you want to learn how to properly maintain your car's appearance there's no better name than Meguiar's.

They've been providing the best products in car care for decades and now you can get detailing tips directly from their factory trained staff. They'll show you how to clean and protect your car's finish, interior, tires and more. Seminars will be on Friday and Saturday but Meguiar's staff will be happy to answer your questions all weekend. Give your car the advantage on the Carlisle Events' showfield!

CAR CLUBS – 2010 WINNERS

During the show, our event team visits each club location and presents an award to the club with the coolest hangout. We also present awards to the three clubs with the most registered members. Make Carlisle your club's site for a fun-filled weekend.

COOLEST CLUB HANGOUT

Val Stewart of Carlisle Events said "It's always a fun time at the Saab tent."

SAABS @ CARLISLE

www.CentralPennSaab.com

225 Registrations - FIRST PLACE in the Import Club Challenge

Vehicles: 1947-current all models of Saabs

Founded in 1985, The Central Penn SAAB Club; a non-profit organization; is a group of family oriented SAAB enthusiasts who enjoy driving our SAABs. We have been recognized nationally as one of the most active SAAB Clubs in North America, as we now number nearly 250 members, and growing. We meet once a month and organize and attend events throughout the Northeast and Mid Atlantic regions. Whether your interest is simply getting out once in a while, meeting other enthusiasts, scenic touring, rallies, or learning more about your car and SAAB's heritage, the Central Penn SAAB Club has a great deal to offer.

IMPORT CLUB CHALLENGE.....

SECOND PLACE • VOLVOSPEED/TURBOBRICKS

www.VolvoSpeed.com

110 Registrations

Vehicles: All years and models of Volvos

Volvospeed.com and Turbobricks.com are communities of like-minded Volvo enthusiasts who seek to push their cars to the limit in both style and performance. Volvospeed embraces all models of Volvos but tends to deal more with the front-wheel-drive models. Volvospeed has a vast community with immense knowledge on all things Volvo. Turbobricks embraces all models of Volvos as well but tends to deal more with the rear-wheel-drive models. Like Volvospeed, Turbobricks has a vast community with an extremely immense knowledge rear wheel drive Volvo. Together, they are an unstoppable force of knowledge and know-how.

THIRD PLACE • THE AUDI CLUB

www.TheAudiClub.com

99 Registrations

Vehicles: All years and models of Audi and older family members - NSU & DKW

The Audi Club started as a group of "old school" Audi owners who regularly posted on an online forum and decided that it was finally time to meet. Since we were coming from all areas of the US, Carlisle was the perfect central location. We've been coming here since 2004 and each year our crew gets bigger and bigger. Old, new, shiny, rusty - it doesn't matter as long as it's from Audi. This show continues to be a great combination of people, cars, food, stories and fun.

KIT CLUB CHALLENGE.....

FIRST PLACE • SPEEDSTER / SPYDER GROUP

www.SpeedsterOwners.com

45 Registrations

www.SpyderOwners.com

Vehicles: Porsche Speedster & Spyder Kits / Replicas

2011 is the 8th annual gathering of the "Speedsters Meet Spyders at Carlisle" event and we've won the Club Challenge for Kit Car Club attendance all 8 years. Over 50 cars attend from all over North America - all replicas of the Porsche 356 (Speedsters, Cabriolets and coupes) and 550 Spyders - this may be our biggest year yet! Our motto for the meet is "Drive 'em, trailer 'em, but get them there somehow!!" The meet is not a competitive show so our philosophy is if you can get your Speedster or Spyder there - regardless of its condition - bring it!

SECOND PLACE • MANX CLUB / DUNE BUGGIE ARCHIVES

20 Registrations

www.ManxClub.com

Vehicles: Dune Buggies

www.DuneBuggyArchives.com

The Manx Club is a worldwide organization open to street-legal Dune Buggies. It was started in 1994 by Bruce and Winnie Meyers to give owners a place to gather, share technical advice, kick tires, tell stories and most of all to have fun. 2011 is the second year the Manx Club will host a gathering spot for Dune Buggies at the Carlisle Import & Kit Nationals. Bruce Meyers will be giving talks at our tent, and there will be a cruise Saturday afternoon. There will also be several activities for Manx Club members only.

THIRD PLACE • AVENGER-VALKYRIE REGISTRY

www.TheAudiClub.com

10 Registrations

www.Avenger-Valkyrie.org/registry.htm

Vehicles: All Avengers and Valkyries

The Avenger-Valkyrie Register was established in 1993 by Ben M. Scheller. The Register has over 180 members from across the United States and Canada. It has held annual get-togethers at the Carlisle Import & Kit Nationals uninterrupted since 1998. The purpose of the Register has been to provide support to Fiberfab Avenger and Valkyrie kit owners during and after construction. Sharing knowledge and experiences on these early kits has been essential for some to finish their cars not to mention the friendships that we all have made in the process.

Although their numbers on the showfield may be small compared to some of the other countries and manufacturers, their enthusiasm is as big as they come. French vehicles have been a major part of the Import & Kit Nationals since the beginning. While they might not bring as many cars as some of the other groups at the show, they have supported us without fail. Now it's our turn to thank them as the featured country.

To add to the success of this weekend we are attempting to make this the largest gathering of French vehicles ever in the United States. With the support of clubs like the Citroen Club of N.A., Renault Owners Club of N.A. and the Peugeot Club we expect to take the title by the end of the weekend. To break the record we'll need more than 130 French vehicles, which is more than double the number we normally have at the show.

In an effort to add to the celebration, French music will softly emanate from that area of the showfield all weekend. Speaking of that area of the showfield, another treat you'll experience on Saturday afternoon is the timeline of French vehicles. With the help of the clubs, we are going to attempt to park all of them from the oldest to the newest to create

a unique display and photo opportunity.

Additionally, the Invitational Display in Building Y will be exclusively French this year. Vehicles will include Renault, Citroen, Simca, Peugeot and a 1911 Breese Paris which is celebrating its 100th birthday this year! Believe it or not, the Breese Paris isn't the oldest vehicle in the building. That honor belongs to the 1897 DeDion Bouton. The response for the Invitational Display was overwhelming this year so we had to expand the display to include Building R.

Some of the other special vehicles in the display are the trio of Citroen Deux Chevaux, one each in blue, white and red for the colors of the French flag. We also have a 1983 Renault Alliance but not just any Alliance. This one has the honor of being the first Alliance ever built. Be sure to check out all of the French vehicles in Building Y and on the showfield.

We truly appreciate the support of all of the French car clubs, their members and all of the vehicle owners but none of this would've been possible without the help of Marvin McFalls and Les Woods. With all of the French vehicles, seminars based on French vehicles, music and more, about the only thing missing is the Eiffel Tower.

PASSPORT

AROUND THE WORLD IN 80 ACRES

Take a tour of the world by participating in the new Passport Program. It's simple and fun and after you complete your tour you will have a chance to win prizes as well as a limited edition collector pin. Participants who collect all seven stamps and complete the registration form will have a chance to win the grand prize, a free weekend at the 2012 Import & Kit Nationals.

Here's how it works: get your Passport stamped by an official representative at each of the seven Passport checkpoints on the showfield (see map for locations). Each checkpoint represents a country of automobile origin. After you've collected all seven stamps, proceed to Guest Services and show your completed Passport for a limited edition pin (pictured along the bottom of the passport at right) and a chance to win a prize from one of our sponsors (while supplies last).

Prizes range from discounts at the local art gallery to gift certificates at local restaurants and Carlisle Events merchandise. Participants with a completed Passport may also sign up for a chance to win the grand prize which consists of three nights lodging and weekend admission to next year's event (your choice of either a showfield pass or a pair of weekend spectator passes).

The pin is the first in a series that will be offered only through the Passport Program and only to participants who show their completed Passport at Guest Services. A total of only 500 pins were produced for 2011 and they will be given to the first 200 on Friday, the first 250 on Saturday and the first 50 on Sunday. Be sure to collect the entire series by getting started this weekend.

CITROËN CLUB OF NORTH AMERICA

BY KEN BETSH, CHARTER MEMBER OF CCNA

The first organizational meeting of the Citroën Car Club of Ohio was held at the home of Charles Fowler near Buckeye Lake, Ohio. This was in 1974 and it was advertised through the efforts of Andre and Diane LeBlanc who were owners of Citroën Auto Sales in Cleveland, Ohio.

A president and secretary were elected, dues set at \$4.00 a year, and ambitious plans made for the club. A meeting the following year at the same location drew 23 Citroëns. A club newsletter with technical tips was printed and meeting pictures were distributed. In 1976 it really got rolling when the club could boast 60 members and had six issues of the newsletter a year.

As the club grew so did the newsletter, from a few mimeograph pages to a printed booklet with photographs that has repeatedly won the OLD CARS "Golden Quill Award" for one the best news-

letters available to any club. In 1987 the newsletter was renamed Citroënthusiast. The early issues all related to the DS and ID Model Citroëns the members drove. More articles about the SM, CX, 2CV and Traction Avant appeared as club members acquired them.

The club grew because of the newsletter. With its comprehensive illustrated repair articles covering details overlooked in factory manuals, it found new members from other states. First awareness came when the number of out-of-state members exceeded those living in the state of Ohio. The full impact of this was shown when, in the annual Roster, the state of Florida had more members than Ohio.

Recognition of this enlarged growth came when the club membership agreed that the club name may have restricted its growth beyond the Midwest. The or-

ganization officially became the Citroën Club of North America at the beginning of 1998 and kept the name of Citroënthusiast for the club newsletter. More recently, the club has established a web presence, through a blog, Citbitz.com.

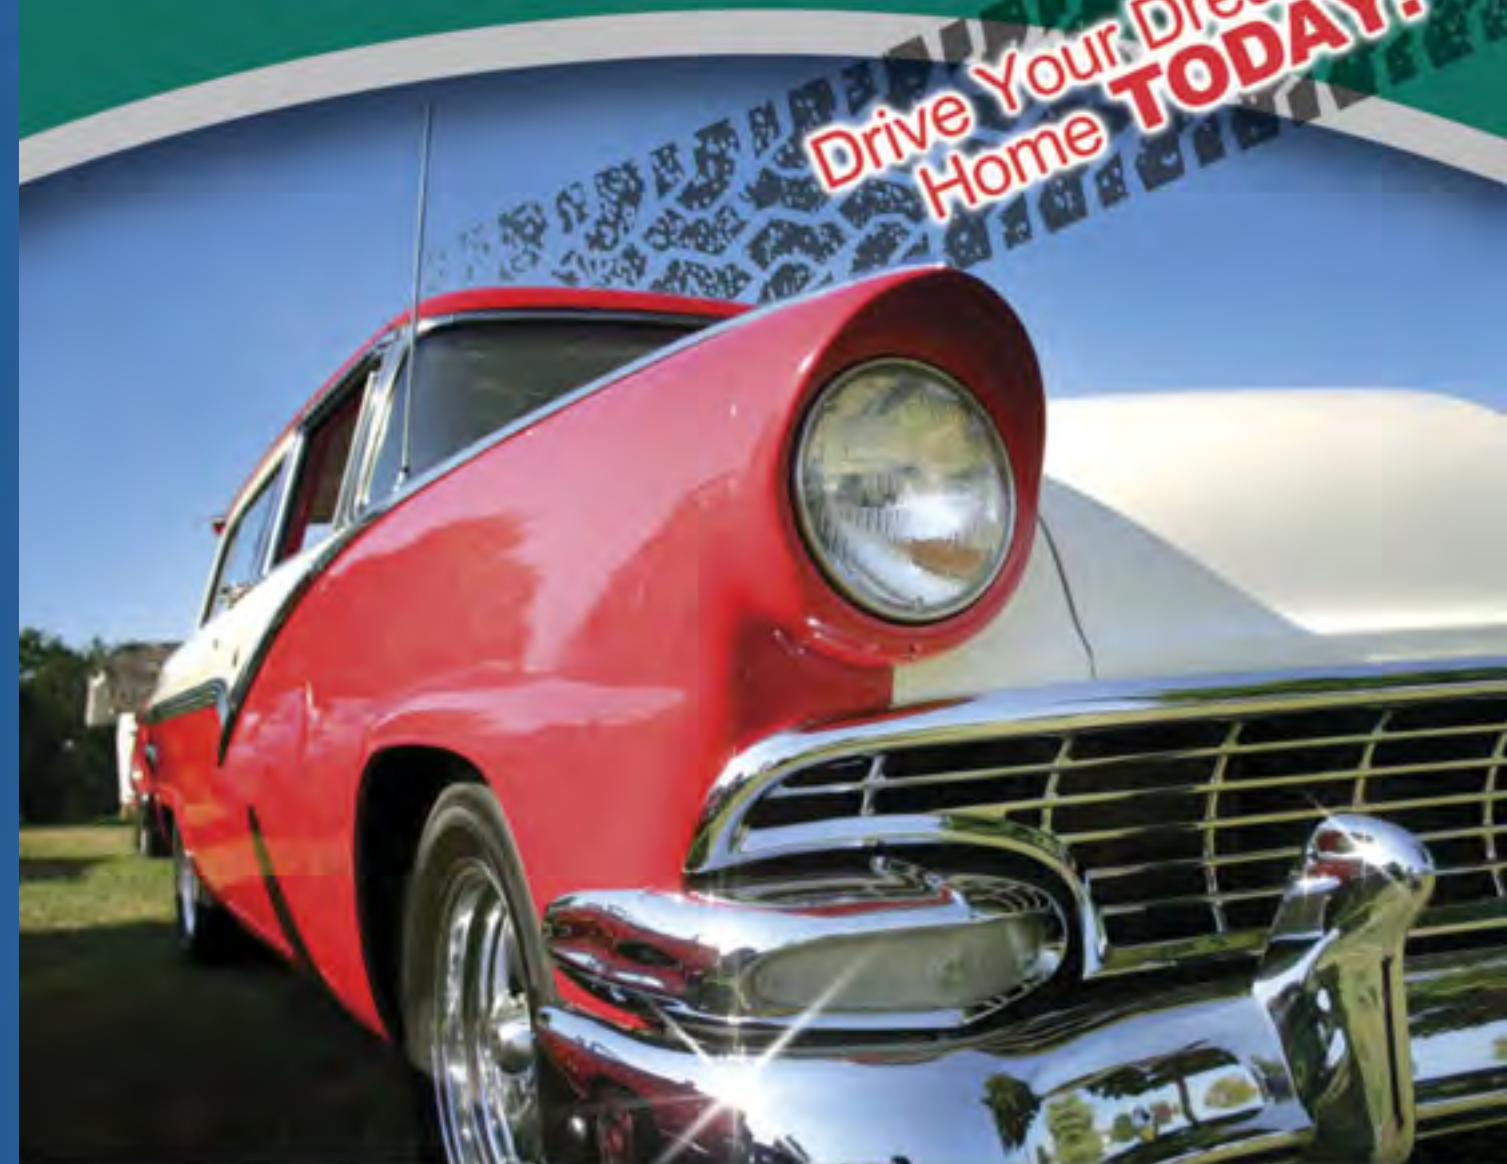

The club now has nearly 500 members, with a significant number being overseas members. Several meetings are held each year, primarily for fellowship and the enjoyment of the members and their families. One of the best is the annual Citroën Rendezvous organized by "Drive She Said," held in Saratoga Springs, NY on Father's Day weekend.

The official club business, such as election of officers, is transacted at an annual meeting held each May in Carlisle, PA. This coincides with the Carlisle Import & Kit Nationals where CCNA members meet to show their cars to a larger group of enthusiasts.

PARTNER PROFILES

PREFERRED CAR CARE PRODUCTS OF CARLISLE EVENTS

Carlisle Events is pleased to recognize our partners. Their support allows us to continue providing exciting events, activities and guests for your enjoyment.

MEGUIAR'S

For over 100 years, Meguiar's has shared its passion and pride for the car hobby and for making cars appear 'show car perfect.' They provide quality products for every surface of your vehicle - inside and out. Meguiar's Customer Care Center is available 6 days a week to answer any car care questions you have at 800-347-5700. Or, join the discussion on facebook or their online discussion forum at www.meguiarsonline.com. "People who love cars love Meguiar's."

ROCK AUTO

RockAuto ships thousands of auto parts from over 200 manufacturers to customers on every continent except Antarctica - including APO/FPO addresses. The RockAuto catalog is updated daily with mechanical parts like brake pads and shock absorbers, body parts like bumpers and mirrors, interior trim like door handles and carpets, and major assemblies like steering gears, CV axles, engine long blocks, and complete transmissions. There are no mechanics on staff (RockAuto is a store, not a repair shop) but service manuals are available to help customers learn how to perform a repair. The RockAuto catalog is expanding constantly. Someday, it may be possible to build an entire car using parts from RockAuto!

PREFERRED AUTO PARTS STORE OF CARLISLE EVENTS

HEACOCK CLASSIC COLLECTOR CAR INSURANCE

Have you ever wondered what collector car insurance is all about? It's simple, "passion." Heacock Classic Insurance knows that collector cars receive better care and are driven less than the family vehicle, therefore, classic car insurance rates are lowered. Their goal is to offer a custom, low-cost program designed to fit your needs. Collector car insurance from Heacock Classic provides "Agreed Value" coverage, full coverage during restoration, coverage for modifications, and your right to choose your own repair shop if your car is damaged. You also get to choose zero deductible and automatically get \$50,000 coverage for 30 days when you purchase a new classic car. After you request a quote, a status report is usually ready within 24 hours. Then they will contact you to review it and hopefully activate your new insurance policy. It's simple, easy and the best way to properly protect your investment. Call them today at 800-678-5183 or go online at www.HeacockClassic.com

Chip Miller, co-founder of Carlisle Events died in March 2004 of complications related to Amyloidosis. Chip may have been diagnosed earlier and still be with us today had awareness of the disease been greater. Amyloidosis is a disease caused by the abnormal accumulation of protein molecules in body tissues. Signs and symptoms depend on the organs affected. The wide range of signs and symptoms makes it difficult to diagnose, and there may even be no symptoms. Some signs and symptoms may include:

- Swelling of ankles and legs
- Shortness of breath
- Numbness/tingling in hands/feet
- Abnormal protein in urine
- Severe fatigue
- Enlarged tongue
- Irregular heartbeat
- Difficulty swallowing
- Skin changes
- Diarrhea
- Weakness

SMILE! YOU MAY BE ON CAMERA

When entering the Carlisle Fairgrounds or Carlisle Expo Center, you might notice that filming and photography are going on. By attending any Carlisle Productions event, there is implied consent and you agree to give Carlisle Productions and authorized filming and/or production companies and/or media outlets the right to film, photograph, record your name, nickname, picture, biographical material, voice and/or likeness and to use in any manner of media in connection with the event or future events and the advertising and promotion thereof. The same holds true for any vehicle, product or any other item you display or bring to the event. You also agree to the broadcast, production, reproduction, printing, distribution and exhibition of any such photographs and/or recordings of the event, and any programming derived from the event, by any and all means, media, devices, processes and technology now or hereafter known or devised anywhere in the universe at anytime in perpetuity as Carlisle Productions or any of these authorized producers, filmmakers, photographers and/or media outlets elect without compensation of any kind to you.

People Who Love Cars Love Meguiar's™

Your leather seats take daily abuse. For this reason, Meguiar's developed its 2-step process to keep your interior looking like new. Start with Gold Class™ Leather & Vinyl Cleaner to gently remove dirt and stains. Follow with Gold Class™ Leather Conditioner to provide moisturizing oils and UV protection. For free personal car care advice, go to Meguiars.com or call 800.347.5700 Mon-Sat, 6:00 am to 5:00 pm Pacific Time.
