CLUB TENT PROGRAM

Tent rentals are available at most specialty events to use as your club headquarters. We offer free tents to clubs who register a specific number of showfield cars as a way of showing our appreciation for club participation. Contact us for details and to check participation levels and availability.

COOLEST CLUB HANGOUT

The Coolest Club Hangout Award is presented to a club participating in the club tent program with the most creative club tent display. In addition to the display you must also be an example of what Carlisle Events is all about: HAVING FUN!
